

## Ridge Bed

The Ridge Bed is a solid hardwood platform bed featuring a solid headboard with an upholstered pad that utilizes leather and darkened bronze hardware. The bed has two floating cabinets with cast bronze pulls, and cord management through the rear of side tables.

Available wood options include Black Walnut (oxidized or oiled), Cherry or White Oak (oiled, white oil, library, fumed or oxidized).

Saddle leather color choices include tan, chestnut, medium brown, dark brown and black.

Custom sizing of headboard and bed platform height is available. Sizing includes queen, king and California king. Custom configuration is available. COM for pad requires approval.
